

IMPORTANT INFORMATION FOR OUR PATIENTS

FOR URGENT CARE

- During the daytime, call the office at 269-408-1688. The front office staff will connect you to the Doctor.
- During the evenings or after hours, call the office and our voicemail will give you the number to reach our answering service. If you call the answering service they will page the Doctor.
- **In case of an emergency call 911**
